

Lost Tooth Reimbursement

Citizens must fill out every question, please see our website for details on our data, and dental, retention policies.

Section 1 : The applicant

Name	Age
<input type="text"/>	<input type="text"/>
Favourite Minecraft mob	No. of teeth lost
<input type="text"/>	<input type="text"/>

Please be advised that this form is only for teeth which have been lost for reasons up to and including, being ripped from your mouth by dogs, hit by asteroids, or accidentally swallowed.

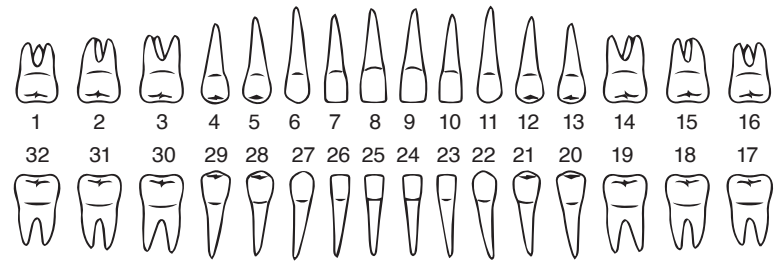

Please note the condition and colour of said tooth will determine the cash amount paid, in keeping with market valuations agreed upon by Tooth Fairy assessors and awards offered may vary if brushing and cleaning is found to have been subpar.

In the event of said tooth's eventual recovery, please submit Form TF-230b within six business days to clarify state and current location of such tooth so it can be archived in the national vault.

Please do NOT attempt to re-submit said tooth for pillow reimbursement as 'double dental disclosure' is illegal under Section 17B(2) of the Teeth Finance & Renewal Act (1978) and you will be prosecuted, jailed, or blasted into space.

**Please mail to:
the underside of your pillow
in a timeframe not exceeding
72 hours from loss of tooth.**
